

University of Hawai'i System 11th Grade Smarter Balanced Placement Policy

SB 11 th Grade Achievement Level	Mathematics Placement Options	ELA Placement Options		
4	<p>Any of the following entry college-level math courses: 100, 103, 104F (UH Hilo only), 110 (HawCC only), 111 (except at UH Hilo), 134, 135, or Intro to Statistics</p> <p><i>(A higher level or dual credit math course is strongly recommended in 12th grade for those pursuing a STEM major)</i></p>	<p>English 100</p> <p><i>(A dual credit ELA course is strongly recommended in 12th grade)</i></p>		
3	<table border="0" style="width: 100%;"> <tr> <td style="width: 50%; vertical-align: top;"> <p><u>Non-STEM Major</u> Any entry college-level terminal math course not on the calculus pathway: i.e., Math 100, 111 (except at UH Hilo), or Intro to Statistics</p> <p><i>(A higher level or dual credit math course is strongly recommended in 12th grade)</i></p> </td> <td style="width: 50%; vertical-align: top;"> <p><u>STEM Major</u> Any entry college-level calculus pathway math course: 103, 110 (at HawCC only), 134, 135, 104F (UH Hilo only), CONTINGENT ON enrollment (and expected completion) in a calculus pathway, year-long course in 12th grade (incl. a combination of algebra III, trigonometry, analytic geometry, pre-calculus, AP/IB calculus)</p> </td> </tr> </table>	<p><u>Non-STEM Major</u> Any entry college-level terminal math course not on the calculus pathway: i.e., Math 100, 111 (except at UH Hilo), or Intro to Statistics</p> <p><i>(A higher level or dual credit math course is strongly recommended in 12th grade)</i></p>	<p><u>STEM Major</u> Any entry college-level calculus pathway math course: 103, 110 (at HawCC only), 134, 135, 104F (UH Hilo only), CONTINGENT ON enrollment (and expected completion) in a calculus pathway, year-long course in 12th grade (incl. a combination of algebra III, trigonometry, analytic geometry, pre-calculus, AP/IB calculus)</p>	<p>English 100, CONTINGENT ON a grade of B or better in either of the following:</p> <ul style="list-style-type: none"> ➤ A semester long ELA course taken in the fall semester of the 12th grade ➤ The fall semester of a year long ELA course taken in the 12th grade
<p><u>Non-STEM Major</u> Any entry college-level terminal math course not on the calculus pathway: i.e., Math 100, 111 (except at UH Hilo), or Intro to Statistics</p> <p><i>(A higher level or dual credit math course is strongly recommended in 12th grade)</i></p>	<p><u>STEM Major</u> Any entry college-level calculus pathway math course: 103, 110 (at HawCC only), 134, 135, 104F (UH Hilo only), CONTINGENT ON enrollment (and expected completion) in a calculus pathway, year-long course in 12th grade (incl. a combination of algebra III, trigonometry, analytic geometry, pre-calculus, AP/IB calculus)</p>			
2	<p>Any entry, college-level terminal math course not on the calculus pathway: i.e., Math 100, 111 (except at UH Hilo), or Intro to Statistics CONTINGENT ON a first semester grade of B or better in the 12th grade transition course "Introduction to College Math"</p>	<p>Determined by UH campus-specific placement process (i.e., COMPASS, GPA, etc.)</p>		
1	<p>Determined by UH campus-specific placement process (i.e., COMPASS, GPA, etc.)</p>			

- ❖ The placement policy is valid for a three year pilot period (for the high school graduating classes of 2016, 2017, and 2018)
- ❖ Smarter Balanced scores will be valid for placement purposes for 24 months
- ❖ UH campuses use Smarter Balanced scores for placement purposes only
- ❖ Students wishing to place beyond entry level courses in Math and English Language Arts are encouraged to take advantage of the UH campus-specific placement procedures already established
